## **6.Pupil Code of Conduct**

At Fradley Park, we are committed to placing the values and principles of the Convention on the Rights of the Child at the heart of our procedures and practice. It is important to us that children recognise their rights but also acknowledge the rights of others.

At Fradley Park, children's rights are promoted and realised, adults and children work towards this goal together. A Rights Respecting School is a place where everyone can feel valued, confident with themselves, and furthermore, encourages everyone to use their voice.

As well as this approach shaping the needs of our own pupils and creating a Rights Respecting community, we aim to use this shared understanding to work for global justice and sustainable living.

Being a Rights Respecting School also shapes our behaviour management. Every class draws up a class charter based on agreed rights and shares ideas around how adults and children will respect this right. We emphasise the ethos that rights, are linked with responsibility.

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform
- Understand their responsibilities and know/accept consequences for their actions.

## **7.Rewards and Sanctions**

Rewards "Catch us doing something good!"

The first focus is on good behaviour with positive comments being commonplace for those behaving well. Staff refer to the class charters frequently and any action in which a member of staff recognises as contributing to the school expectations, e.g. good manners, co-operation, great work, helpfulness etc is rewarded with praise.

A variety of other strategies for rewards are used within the school. Some of these are outlined below:

- Stickers/stamps
- Notes, messages, emails home
- Early Years assembly awards (Star of the Week)
- Special responsibilities/privileges
- Some classes operate a raffle system and/or prize box to reward good behaviour

Sanctions

When dealing with difficult behaviour, there are three main considerations:

- Care for the individual involved
- Ensuring a prompt, fair and consistent response
- Meeting with parents/carers if the behaviour is a cause for concern

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Time outside of the classroom with a responsible adult
- Expecting lost learning/work to be completed at home, or at break or lunchtime
- Referring the pupil to a senior member of staff
- Letters or phone calls home to parents
- Behaviour Plan

### Exclusions

As a school, we work hard to avoid excluding a pupil, but serious offences may result in a fixed term or permanent exclusion. In these situations, we follow the guidance laid out in the JTMAT Behaviour Policy. [Behaviour Policy \(jtmata.co.uk\)](http://jtmata.co.uk). The JTMAT have developed clear procedures for excluding pupils whose poor behaviour has become quite unacceptable.

### Zero-Tolerance Approach to Sexual Harassment and Sexual Violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

### Off-site Behaviour (e.g. School educational visits)

This procedure applies off site as well as in school. Staff apply the same behaviour procedures and pupils understand that the same expectations apply.

Where staff have concerns regarding the behaviour of pupils on visits, they should speak with the Headteacher/ EVC so that necessary arrangements can be put into place to ensure the safety of all on the trip.

## **8. Classroom management**

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the class charter of rights and responsibilities
- Develop a positive relationship with pupils, which may include:
  - Greeting pupils in the morning/at the start of lessons
  - Establishing clear routines
  - Communicating expectations of behaviour in ways other than verbally
  - Highlighting and promoting good behaviour

- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

## **9. Physical Intervention & Positive Handling**

There may be occasions when it is necessary for staff to use a physical intervention. Allowing a child to hurt themselves or others, damage property or put themselves in a dangerous situation is clearly not in the best interests of the child and therefore interventions are justified.

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (MyConcern)

## **10. Pupil Support**

Fradley Park Primary and Nursery School is committed to enabling all children, including those with SEND, to access education successfully and part of this commitment is ensuring that there is a high standard of behaviour throughout the school.

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be adapted to cater to the needs of the pupil.

The school's special educational needs co-ordinator (SENDCo) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

All staff are aware of the importance of recognising children's individual needs and with this in mind make reasonable adaptations to ensure a personalised approach is taken with discretion for those children identified as having a SEND.

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our safeguarding procedures.

## **11. Pupil Transition**

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

We also offer an enhanced SEND transition programme both with pupils and parents to ensure all pupils' needs are being met.

In the case of new pupils transitioning to our school, the SENDCo will liaise with staff at the pre-schools and Nursery settings to arrange additional support.

## **12. Training**

Behaviour management will also form part of continuing professional development and the procedures will be shared and discussed as a whole school team annually.

At the point of writing this procedure, in November 2022, Fradley Park is at the beginning of its Rights Respecting Schools journey and as such, this behaviour procedure will be revisited and refined on a regular basis as our training and understanding of the UN Convention on the Rights of the Child develops.

At the point of writing this procedure, in November 2022, Fradley Park only has 2 EYFS classes and as such, this behaviour procedure will be revisited and refined on a regular basis to reflect the age and stage of the children in our school.

## **13. Monitoring Arrangements**

A copy of this policy is available to all staff and parents and is published on the school website.

This policy is reviewed every two years by the Governors.
